form, semi-circular, with bronze palmetto-trees at even distances on its faces. Finally there are four tall steps of granite under-neath all, so that the monument will be more than forty feet high.

### Scientific Gossip.

During the night of November 17th the snow in the Valley of Storelydal, in Central Norway, (between 61° and 62° north latitude.) was covered with a layer of black and gray dust of probable volcame origin.

[From the great London (Eng.)]

The Building News, speaking of the results of the researches of Schliemann, says that the Greek story of Ilion accords with the discoveries at Hissarlik, and the conclusion is inevitable that the Homeric Troy uld have been on no other site.

resin (colophony), 25 parts of gutta-percha, and 50 parts of parafline, to which 20 parts of magnesia and some mineral oil bave

From a large number of experiments with the antennæ of insects Mr. C. J. A. Porter is led to conclude (1) that the antennæ are not the organ of any one or of an combination of what we call the five senses—hearing, seeing, smelling, touch-ing, and tasting; (2) that the power of direction does not he in the antennæ, and (3) that the antennæ are the organ of some

ises by removing a pane of glass from the window of every room or knocking a hole through the outer wall, and placing in the opening there created a frame of serim gauze, with a glass door for closing, or par-tially closing, it in extremely cold weather, and I believe that all the inmates would thereby escape some of the special ills to which residents in large towns are liable."

## Fashion's Fancies.

Ragged-edged note-paper is still a favor-ite among English ladies. The crape-finished border is a striking

welty in mourning note-paper. Sable is the most fashionable fur in Engnd among those who can afford it.

High heels are no longer worn on even ing shoes, but are still used upon day boots. Friils of lace down the front of the cor-

sage are considered more elegant than but-Plain or fine striped silk floss hose are

most fashionable for both day and evening wear. Evening dresses with pointed waists and V necks are as becoming as they are fash-

Evening dresses, when not intended for dancing, are made with trains of moderate

Artists of ability now bring out charming novelties in the guest cards used at dinner parties.

Fichus, jabots, and scarfs are worn with house dresses. They are attached to narrow velvet dog-collars. Ladies' cards are of generous size, cut

almost square, while those for gentlemen are narrow and short. The fichu bow, knot of flowers, or nar-row lace pin, is worn at one side of the

neck of very young ladies. The new theatre bonnets of black velve and white tulle, embroidered with pearls, are worn without strings.

The evening cloak par excellence is of cashmere lined with plush, and having a crape hood trimmed with lace.

Pretty Parisian capotes are made of vel-vet applique on colored lace, with a bunch of velvet flowers on one side.

All kinds of invitations are engraved or written on clear white paper, except invi-

The small muff of velvet, lace, plush, far, and even cloth, matching the capote in shade and material, is the latest fancy.

For street were some of the Parisian milliners have brought out exquisite little Fanchon-like bounets of gray Swedish kid. Capotes for evening wear are made of white crope, edged with silver lace or braid, and trimmed with white marabout

The high Greek colffure, with several fillets encirching the head, takes the place with Parisians of the small coil in the nape

In exclusive stationery there is the pale-graphic, resembling oid parchment. It sids fair to be a favorite among lovers of

Velvet dresses with separate trains and an extra velvet body are particularly use-ful, as the train and extra body can be worn over any other silk skirt.

lic for the cure of dyspepsia, indigestica, derangements of various kinds, and as a general fam ly medicine, none have met with such genuine appreciation as Hop Bitters. Introduced to thi country but a comparatively short time since, to meet the great demand for a pure, safe, and reafers for the rediction, they have rapidly in-Dr. C. H. Yelvington asserts that the copperhead never bites when coiled up, but will throw the middle of his body into long, almost rectangular curves, and with his head and an inch or so of the neck slightly elevated above the ground is ready to defend himself.

meet the great demand for a pure, safe, and perfect family medicine, they have rapidly increased in favor until they are, without question, the most popular and valuable medicine kaown. Its world-wide renown is not due to the advertising it has received; it is famous by reason of its inherent virtues. It does all that is claimed for it. It discharges its curative powers without any of the evil effects of other bitters or medicine, being perfect family medicine, they have rapidly increased in favor until they are, without question. from rust Van Nostrand's Magazine says that iron to be buried in damp earth may be coated with a mixture of 100 real. are the homes indeed where the great discovery has not already been halled as a deliverer and welcomed as a friend. It does what others affect to do. Composed of simple materials, it is a marvel of deli-cate and successful combination. Nothing is wanting.. Every ingredient goes straight to the mark at which it is aimed, and never fails. Plea-sant to the palate, agreeable to the stomach, and thoroughly effective as a cure, it has won for itself the confidence of all.—Times. London, Eng.

A FEW UNSOLICITED LETTERS FROM THOUSANDS RECEIVED.

I have tried experiments on myself and others with Hop Bitters, and can easily recommend them as a pleasant and efficacious medicine. I have "If," says W. Mattieu Williams, "I were living in the midst of London, Birmingham, Manchester, or any other large city, I would recklessly disfigure my premises by removing a page of glass from the

U. S. CONSELATE, MANCHESTER, ENG., November 8, 1882. S Gentlemen,—Since writing you of the great ber a friend a bottle who had been suffering much from dyspepsia and sluggish liver, and the change wa marveilous; he appeared another being aitogether He had tried several other remedies without any benefit. I could name over a dozen other miracuous cures.

LONDON, ENG., September 1, 1882. I am pleased to testify to the goods effects of your Hop Bitters. Have been suffering a long time with severe pair in the left side and across the loins, and having tried a number of so-called remedies without any benefit, I am glad to acknowledge the great relief I have obtained from your medicine. CHARLES WATSON.

COLCHESTER, ENG., August 18, 1882. Gentlemen,—I was troubled with a very bad form of indigestion for a long time, and tried many things in vain until I got some Hop Bitters, and on taking was quite cured, and remain so till this time. It is now tiree months ago since I was bad

FROM REV. J. C. BOYCE, M. A.

OCTOBER 30, 1882. Dear Sirs,-I have lately finished my first bottle of Hop Bitters. After having for many years suf-fered acutely from rheumatic gont (inherited), I feel so much better, and can walk so much more resty, should like to continue the use of it. I write to ask how many bottles you will let me have for £1. so that I may always have some in stock.

FROM OULD IRELAND. DUBLIN, November 22, 1882.

Hop Bitters Company: Gentlemen,—You may be interested to learn that one of the most eminent judges on the Irish bench (a customer of mine) highly approves of your Hop Bitters, having received great benefit from their use. T. T. HOLMES, Chemist.

ALEXANDRIA PALACE, I find Hop Bitters a most wonderfol medica combination – healthful, blood-purifying, and strengthening. I can from analysis as well as from medical knowledge, highly recommend them as a valuable family medicine. BARBARA WALLACE GOTHARD.

LONDON, ENG., February 1, 1882.
Gentlemen.—For years I have been a sufferer from kidney complaint, and from using your Hoj litters am entirely cured, and can recommend them to all suffering from such disease.

WILLIAM HARRIS. SHEFFIELD, ENG., June 7, 1882.

Sir.—Having suffered from extreme aercous debility for four years, and having tried all kinds of medicine and change of scene and air without deriving any benefit whatever, I was persuaded by a friend to try Hop Bitters, and the effect, I am happy to say, was most marvellous. Under these circumstances I feel I my duty to give this testimonial for the benefit of others.as I may say I am now entirely well; therefore I can justly and with confidence give personal testimony to any one wishing to call upon me. Yours truly, HENRY HALL.

NORWICH, ENG., June 20, 1882

To the Hop Bitters Company: nen,-Having suffered for from biliousness, accompanied with sickness and dreadful headache (being greatly fattgued with overwork and long hours at business.) I lost all energy, strength, and appetite. I was advised by a friend in whom I had seen such beneficial effects to try Hop Bitters, and a few hottles have quite attered and restored me to better health than ever. I have also recommended it to other friends, and am pleased to add with the like result. Every claim you make for it I can july endorse, and recommend it as an incomparable loude.

Yours faithfully, S. W. Fitt.

FROM GERMANY.

KATZENBACH OF, GERMANY. August 28, 1881.

Agust 28, 1881.

Hop Bitters Company:

Dear Sirs.—I have taken your most precious essence, Hop Bitters—and I can already, after so short a time, assure you that I feel much better than I have feit for months.

The less underelothing worn the better the fit of the dress, hence flannel underelothing, being light, though warm, is better, even though it be not so ornamental as the furry pique which the French prefer.

A new and graceful wrap for little girls is a long pelisse gathered full in front and fastened with a sash, which encircles the waist and ties in a bow in the back. A high-shouldered cape is generally worn with this pelisse, and both are bordered with fur or fur plush.

A Menataln Salit in Tag.

Hop Bitters Company:

August 28, 1881.

Hop Bitters—and I can already, after so short a time, assure you that I feel much better times an infanmation of the kidneys. The last—in January, 1880, was the worst; and I took a lot of medicine to cure the same, in consequence of which my stomach got terribly weakened. I suffered from enormous pains, had to bear great torments when taking nourishment, had sleeples nights—but none of the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, the medicine was of the least use to me. Now, in consequence of taking Hop Bitters, the medicine was of the least use to me.
